Provider Profile

Information provided by the provider describing their agency:

I have been working in this field for the past 16 years. I am a behaviorist in my regular job, working with adults with varying levels of developmental disabilities, in addition to school transition students. I have experience working with adults and children. Currently I work with a number of individuals with autism. Mental health issues are also an area which I have multiple years of experience in. I am able to provide and develop behavior support plans and behavioral analysis.
